Through these doors . . . .

What does one look for when he passes through a door? He wants to see what is on the other side of that door. This book will act as a mirror reflecting our high school days. Through this book we will give a bird's-eye view of what is happening on the other side of these doors. Others may see us and read about us here, but one has to be on the "inside" to grasp the real school spirit.

Let these doors and this book open to you new visions and new horizons. Here the key is molded which will open the doors of the future. The doors of New Albany High School are the doors to education, the doors to opportunity, and the doors to a fuller and richer life.

R. M.

Dedicated to and

Our school was honored last fall by being one of the four schools in the state of Indiana to add to its faculty a teacher from England. Miss Primrose Hockey comes to us as an exchange teacher from Monmouthshire, England.

Miss Hockey has brought a bit of England with her into our school and it will linger long in the hearts of the students. When you know her you cannot miss her lovable accent and her willingness to participate in any and all school activities.

We, the seniors of N. A. H. S., dedicate this yearbook to Miss Hockey as a token of our esteem for her.

R. M.

In Honor of

In honor of Mr. Edwin Kahl who is retiring after forty-four years of faithful service, in honor of Mr. J. Hardin Thomas who has taught in our schools for twenty-seven years, in honor of Miss Grace A. Harper who has served our high school for twenty-one years, in honor of those who have retired from the New Albany High School and those who will be retiring in the future, we extend our hand of congratulation. To those teachers we owe a great deal. They have given the best part of their lives in order to make us better fitted for our place in the community. We may not realize this now, but as we look back we will see that those instructors were really here to show us the "best way."

We present this book in honor of all those teachers who have given of their time, their service, and their knowledge to the students of New Albany High School.

Writing a message to high school seniors in their yearbook is a rather difficult task. A yearbook becomes more valuable as the years go by and words written now may become quite dated fifty years hence. Our society seems quite complicated to us even today although we realize we are on the threshold of a scientific age that will open an entire new world to humanity. Our immediate goals in education are often to acquaint you and prepare you for the material and physical part of the society in which you live. However, our primary goal today, as it will no doubt be a score or fifty years from now, is to help you develop good citizenship; to help you develop a sense of responsibility to yourself, to your family, and to society. If you have these virtues you will live a happy, useful life. Best wishes from the school administration.

HARRY R. DAVIDSON,
Superintendent.

Mr. Davidson, through his superintendal advice, gives needed guidance to the senior class. Also, through his efforts work has been done to improve the entire guidance program. The entire school greatly appreciates this work.

MR. C. C. KATTERJOHN
Principal

A.B. Indiana University
M.A. Teachers College, Columbia University

Four years ago the majority of this Senior Class were looking forward to their entrance into New Albany Senior High School with participating or apprehending minds.

Through this school's portals were: (1) opportunity for advanced learning; (2) opportunity for broadening their acquaintances; (3) opportunity for participation in activities that would develop their desires; (4) opportunity for social activities and (5) activities for the broadening experiences of adolescent life.

The Freshman year saw the newness worn from the initial eagerness. During the Sophomore and Junior years each member of this class felt they had arrived and considered themselves a definite part of the school. To some of these Sophomores and Juniors school became a drudgery and an artificiality. Desirous ends were too far removed. This group likewise had not focused their desires on specific outcomes of education. These failed subjects or quit school.

You, who have stayed and are now about to leave, will look forward with some apprehension—as you did when you were Freshmen—but you likewise will look forward with anticipation, for life holds much more than when you were Freshmen. You are equipped with knowledge, experience, and maturity. As you go again

THROUGH THESE PORTALS

go with the assurance, confidence, and self-satisfaction that any N. A. H. S. man or woman should have. For the school that threw open its portals as you arrived has given you the opportunity to equip yourself for the final exit

THROUGH THESE PORTALS!

To help our students
In their need,
The Council takes
A welcome lead.

Don't step on the grass! The Student Council under the leadership of Mrs. Long, Dean of Girls, and Mr. Raney, Dean of Boys, has undertaken as a main project this year to solve the grass walking problem. And thanks to the ever-hard-working members, the lawn is becoming a prize possession.

The Student Council is composed of representatives elected from each home room. Its main purpose is to promote worthy citizenship throughout the school.

SCHOLARSHIP "N"

Top row, left to right—Livingston, Roberts, Whitlock, Hornung, Tandy.
Front row—Gardner, Oeffinger, Willis, Thomas, Adams.

This is an engaging pastime,
But don't misunderstand me,
Our studious ones didn't try it
On the way to an "N. A. degree".

Oh, I wish I had a scholarship "N"! You could have one if you would fulfill the requirements. Just make a grade of "A" in four solid subjects for an entire semester and if carrying five solid subjects make no grade in the fifth subject lower than a "B".

Winners completing these requirements for the first semester were: Betty Wray Adams, Robert Doyle, Betty Lawrence Gardner, John Hornung, Lethelda Livingston, Anna Marie Oeffinger, Doris Lee Tandy, Catherine Thomas, Betty Lou Whitlock, and Donna Jean Willis.

Speakers Biennial Tea committee

The Speakers, under the direction of Miss Kirk, is the oldest organization in school. The original purpose of the club was to make its members better speakers. However, the girls have broadened their activities until this year they included sponsoring a drive to obtain needed articles for Nichols Hospital, entertaining the patients at Nichols, presenting the annual Christmas Play, co-operating with Wranglers to present a sport hop for the members of both clubs, and giving their biennial tea.

And gain wide political fame,
From the experience obtained from Wranglers
You will make the whole world tame.

"Speech!" Might be an appropriate pass word for this all-male club. Its standard is to improve public speaking, and its goal is to promote public welfare. It is not unusual to see a member or two dining at one of the various service clubs, and to see them there you would hardly imagine they were the same boys who participated in the pep session before the Jeff game. Later several of them made their debut in the annual Wrangler Cup Contest. Along with Speakers, they presented a semi-formal dance at the Country Club to climax an active year.

THESPIANS

Flash! The curtain is rising! Thespians, a member of the National Thespian Society, is presenting us with the three-act play, "It Won't Be Long Now." With the help of the sister club, Dramatics, they also presented us with a Thanksgiving play entitled, "The Thanksgiving Prodigal." In order to become a Thespian member, you must earn ten points either by dramatic or radio work. Seven new members were initiated this year. The club is under the direction of Mr. Oakes and the following officers: Pat Browne, president; Charles McCoy, vice-president; Don Kitterman, secretary; and Howard Johnson, treasurer.

DRAMATICS

The Dramatic Club, sponsored by Mr. Oakes, is the stepping stone to becoming a Thespian. Besides discovering dramatic talent in the school, the club devotes a major part of its time giving aid to Thespians in the production of plays. The school thanks you for your fine cooperation. Keep up the good work. The officers for the first semester were: Gail Stikeman, president; Roger Mays, vice-president; Jane Coleman, secretary; and Janet Smith, treasurer. The second semester officers were: Gail Stikeman, president; George Edwards, vice-president; Janet Dryer, secretary; and Mary Anne Fein, treasurer.

Activities began with the initiation of new members at the home of Ida Lou Stein. During the Christmas holidays the members provided entertainment for the various service clubs, Eastern Star and Masonic Temple, and added the yule-tide spirit to the school by following the old tradition of caroling through the halls. N. A. H. S. got a taste of rhythm from south of the border when the members staged a Latin-American Revue. The show was also presented at Fort Knox. Mr. Carter is in charge of these talented singers.

How can you wait so long before eating? We often wonder how the mixed chorus is able to give up half of their lunch hour everyday to sing. But it pays dividends because it is one of the very few organizations in the state of Indiana to win a first division rating at the State Music Contest.

Besides participating in music festivals and other contests, fourteen of the members were selected to sing at the State Choral Festival at the Indiana State Teachers Association. Members receiving this privilege were: Pat Browne, June Manning, Dorothy Meyer, Billie Rae Martin, Ruth Murphy, Betty Gardner, Vivian Kupferer, Robert Miller, Milton Eberle, Daniel DeSalvo, Anthony Barr, Clifford Eisman, Virgil Dempster, Kent McCaffrey.

Mr. Carter is the director of the chorus.

The New Albany High School Band is extremely proud of the new equipment that has been added during the past year. For the first time, the band has complete symphonic instrumentation. The outstanding event of the band activities during 1946 was the rating of Division I for Class A Bands in the Indiana School Music Association Contest at Bedford. During the school year the organization, in addition to the concerts, participated in marching formations and special novelties for all athletic events. The band personnel includes soloists and ensembles who have brought credit to the music department by their superior ratings in the State Solo and Ensemble Contest.

Mr. Carter, their director,
Waves his white baton;
The boys all sing with great appeal,
"Brothers, sing on!"

New to the ranks of established clubs and only a year old is the Boys' Glee Club, under the direction of Mr. Carter. For the first time in many years a musical program featuring only male voices was presented in January. It proved that the stronger sex has a lot of talent. This statement was also verified later in the season when the club won honors in the state music contest at Evansville.

ART CLUB

Top row, left to right—Rouck, Cooley, Seigwald, McCulloch, Rogge, Wedding.
Front row—Quisenberry, Riall, Wheeler, VanHook, Volz, Condra, Weymouth, Gohman.

Oh, Santa, take me for a ride in your sleigh! Thanks to the Art Club, N. A. H. S. students were favored with a life-size Santa Claus and sleigh in the front hall at Christmas time.

This newly organized club under the guidance of Mrs. Parker has made great progress and is already a member of the State Federated Junior Art Clubs. In addition to the assembly program presented at the high school, the group has entertained the grade schools with several beautiful programs.

The officers for the year were Margaret Gohman, president; John Cooley, vice-president; and Eugene Wedding, secretary-treasurer.

TRI-HI-Y AND HI-Y

Tri-Hi-Y girls check coats at basketball games

Anne Goodyear, our Tri-Hi-Y district secretary

Hi-Ys collect miles of money

Check your coat and hat, sir?

TRI-HI-Y

"To create, maintain and extend throughout the school and community high standards of Christian character." This is the general purpose around which the Tri-Hi-Y girls are formed. This year the girls, in co-operation with the Hi-Y, have managed cloak rooms at the basketball games. With the money they collected they presented the student body with a dancing program.

With the assistance of their sponsor, Miss Elva Lou Rockenbach, the girls have also helped Corydon form a Tri-Hi-Y club. The girls have always been successful in having a member elected as a district officer. This year Anne Goodyear is district secretary.

The officers for the year were Merry Spencer, president; Patty Lou Vernia, vice-president; Charlotte Kahl, secretary; Virginia Wampler, treasurer; Mary Piers, chaplain; and Rita Dettlinger, sergeant-at-arms.

HI-Y

A leading mystery before Christmas was the Mile of Miscellaneous Money. Posters containing these words were placed conspicuously throughout the building. Finally a Hi-Y boy furnished the solution. It was a fund for city charity in order that the poor might enjoy Christmas.

Later Hi-Y aided in the mile of dimes for the national fight against infantile paralysis. The check room in the lower hall during basketball games was sponsored by these boys along with the help of the sponsor, Miss Braeutigam.

The officers for the year were William Boaz, president; Carl Black, vice-president; William Callihan, secretary; James Weber, treasurer; Robert Williams, sergeant-at-arms; Wallace Carpenter, chaplain; and Eugene Ford, publicity.

Six members elected to comprise a council, with the help of Mr. Pay as sponsor, head the organization. They are:

Twenty-four members presented a model initiation before the classical section at the Indiana State Teachers' Association at Indianapolis in October. Maryetta McMurray and Harry Voyles were the candidates initiated. The League later entertained the parents of its members at an open meeting when forty neophytes were initiated. It sponsored the Latin Department's contestants in the District and State Latin Contests. The traditional Roman banquet concluded the year's program.

Watch that helicopter! The Aeronautics Club under the direction of Mr. Koehler is becoming a popular organization in our school. Its activities are centered around a twofold purpose: to discuss and study airplanes, and to provide social entertainment. During the club periods various types of planes and rockets are discussed. Model planes and gliders are demonstrated.

And seek to fill
  Their knowledge need.

Have you read the latest novel? You don't necessarily have to be a bookworm to enjoy an hour or so of absorbing adventure or a new scientific discovery. The Readers Club offers an hour during which you can browse among your favorite books. The sponsor of the club is Mrs. Lucas. Joe Burke is treasurer, and the librarians are Robert Alstott, Ivan Anderson, Elwood Beanblossom, Charles Endris, and Carl Million.

The object of this club is to improve table manners, social conduct, and to teach courtesy and politeness. The club has weekly meetings in which Mrs. Pritz leads a discussion on the do's and don'ts. These polished students will probably become the elite of New Albany in future years.

Strike! That's music to a bowler's ears, along with the sight of ten pins hitting the hard wood. Not only is this sport excellent exercise, but it also trains sight and strengthens body muscles. The Pearl and Oak alleys are the scene three afternoons a week for the high school leagues. Various business men and firms sponsor the individual teams, and competition is keen.

Awards and War Department Targets, the members shoot matches with Boy Scouts and other groups, and have participated in postal matches. The requirements for membership are to be enrolled in a semester training class and to pass a written and practice shooting test.

Yea, Bulldogs! This might well be the slogan for the lively gang who try to yell the team to victory. The Boosters sponsored the contest for the '46 basketball queen and have been responsible for the buses which travel to out-of-town games. The club members form the nucleus of the cheering sections and are the first victims exposed to new yells. Miss Bobb and Coach Raney have the big job of holding down the members.

FOOTBALL

COACH THOM

Coach Alex Thom, completing his seventeenth season at New Albany as head football coach, led the Bulldogs to 5 wins, 1 tie, and 3 losses during the 1946 campaign. Although the Mutts started rather slowly, they seemed to pick up momentum as the season progressed. Coach Thom had a hard working, driving team that trained well.

New Albany 10 — Bloomington 7

The Bulldogs opened their season against an average team. The game was decided in the final 30 seconds by Ralph Parr's field goal.

New Albany 6 — Reitz of Evansville 34

Due to the loss of regular right-tackle Jerry LaDuke, who broke a jaw-bone before the game, and Reitz's abundance of power—both in the backfield and the line—the Bulldogs took it on the chin for their first loss.

New Albany 13 — St. Xavier 0

With the line charging hard and low, the Bulldogs rolled over St. X. 13-0. The Mutts were held scoreless for three quarters but managed to put two quick touchdowns over in the final frame.

New Albany 27 — Seymour 20

The Bulldogs led 14-7 at the half and stretched their lead to 27-7 with about six minutes left in the game. Fumbles by second-stringers and Seymour's ability to connect on two passes gave the Owls two quick T. D.'s.

FOOTBALL

New Albany 27 — Jeffersonville 7

The Bulldogs played their most disappointing game of the season against their arch-rivals and were given only a 7-0 first half lead. However, they regained some of their power in the second half.

New Albany 6 — Vincennes 21

Although both teams were affected with "fumbleitis" in the opening minutes, the Alices finally held the ball and scored three quick touchdowns. Behind 21-0 at the half, the Bulldogs held the Alices in the last half.

New Albany 19 — Boonville 13

Boonville came to town with Ensor and almost went home with victory and Ensor. The Bulldog's line was the deciding factor.

New Albany 0 — Central of Evansville 0

One of New Albany's few scoreless ties came on this night. Although the Bulldogs had chances to score, they were repulsed by the Golden Bears.

New Albany 0 — Manual of Louisville 44

Although the Mutts played gamely and put forth every effort, the Manual Reds played a superb and inspired game.

BASKETBALL

'47

Having completed his second season as head basketball coach, Coach Gordon Raney has established a record of which he, his squad, and the school can be proud.

In his two seasons he has had regular season records of 12 wins and 6 losses each year. In 1946 he led the Bulldogs to the sectional championship and lost to Bedford in the regional final.

During the 1946-'47 season the Bulldogs rolled up a 10-game winning streak before they were defeated by their arch-rivals, the Jeffersonville Red Devils. In the sectional, the Bulldogs defeated Elizabeth 90-25 to set a new record for points scored in a single game, and then were defeated by an inspired and accurate-shooting Silver Creek quintet.

TRACK

With J. C. Stone, James Brewer, Louis Jensen, and Herbert Ward leading the way, the New Albany thinlies galloped to victories over Corydon, Salem, Manual, Jeff; took the Sectional for the sixteenth consecutive time; placed fifth in the S. I. A. C. conference meet and third in the Petersburg relays. Their only defeat came at the hand of Louisville Male in one of the most exciting meets ever held on the Buerk Field cinder path.

Some of the best times turned in on the oval were by J. C. Stone in the 880 yard run; by Herbert Ward in the mile; David Strother in the 100 yard dash; and by Louis Jensen in the 220 yard dash.

Outstanding Accomplishments

100-yd. dash—:10.2	David Strother

BASEBALL

The 1946 baseball Bulldogs, with Louis Jensen and Jack Carroll doing the mound chores, slugged their way to six victories and four defeats. Wins came at the hands of Austin, New Washington, Manual, Valley, K. M. I. and Jeffersonville. Losses were to Flaget, St. Xavier, Manual, and Male of Louisville.

Although the Mutts appeared weak at the plate at times, they usually made up for this slack in the field.

Returniug from last year's squad, which saw the graduation of nine, are Don Stevens, Irvin Dobbins, Gene Murphy, and Edward Thomas.

GOLF

The golf team, a squad of athletes to which no one pays much attention, putted their way to nine wins and one loss. Their only defeat came at the hands of Bedford, there. The Bulldogs received 144½ points to their opponents 46½.

Besides regular scheduled meets, the Bulldogs placed second to Bloomington in an invitational meet at Bloomington and copped the Southern Indiana Athletic Conference meet held at Bedford. This was the Bulldogs first conference championship.

Returning from last year's squad which saw the graduation of Arthur Krause, team higher, Joe Cummings, and Robert Olson, are John Hornung and Virgil Biggs.

Conference records set at Bedford were:

(1) New Albany made the lowest score ever made at a conference meet.

(2) More teams entered this meet than in previous years.

(3) John Hornung's 36 equaled par for the course. This was the first par made in a conference meet.

Seniors, we have passed through these doors as N. A. H. S. students for the last time. Inside these doors we experienced the joys and sorrows, the triumphs and heartaches of New Albany High School. The world is before us. We have passed through our first great door; others await our footsteps. We cannot fail. We have drunk of the cup of knowledge and so are prepared to meet the future!
